

GRADUATE ADMISSION DECISIONS

Students admitted to Saint Louis University must select one of the following options, regardless of classified, conditional, provisional or unclassified status (see SLU Graduate Admission Types (<https://catalog.slu.edu/academic-policies/office-admission/graduate/admission-types/>) for more information):

Confirm or Decline Admission

Students must either confirm or decline the offer of admission for the term to which they applied.

Early Start

Students must contact the Office of Graduate Admission if they wish to matriculate in a term prior to the term for which they applied. Not all programs allow early start.

Deferred Application

Students must contact the Office of Graduate Admission if they wish to matriculate in a term later than the term for which they applied. Not all programs allow deferred application.

Withdrawn Application

Students not registered by the close of the registration period for the term to which they were admitted and who have not deferred their application will have their application withdrawn.
