

NUTRITION AND DIETETICS, B.S. (STLCC 2+SLU)

This program plan is part of the formal 2+SLU transfer agreement between St. Louis Community College and Saint Louis University.

Students in this program will satisfy the degree requirements published in the 2025-2026 academic catalog at St. Louis Community College and the 2026-2027 academic catalog at SLU. Students must complete all courses and transfer to SLU by the fall 2029 semester.

Students who plan to transfer to SLU after fall 2029 should contact a transfer admission counselor (<https://www.slu.edu/admission/transfer/contact.php>) to explore options.

Students who have been following a program plan from a previous year's academic catalog can reference their older program plan version by reviewing our previous catalogs (<https://catalog.slu.edu/previous-catalogs/>).

For additional information see the catalog entry for:

Nutrition and Dietetics, B.S. (<https://catalog.slu.edu/colleges-schools/health-sciences/nutrition-dietetics/nutrition-dietetics-bs/>)

Admission Requirements

- Students must complete all the courses outlined on the program plan unless an exception is approved by SLU.
- Students must complete an application for admission.
- Students may be subject to admission review under circumstances outlined in the Admission Policies (<https://catalog.slu.edu/academic-policies/office-admission/undergraduate/admission-policies/>).
- Students must present a 2.75 cumulative college GPA at the time of transfer to SLU.
- This program plan is structured for a fall semester start at SLU. Students interested in starting the spring semester should contact SLU to explore this option.

Program Plan

Program plans provide a guided pathway for students to earn an associate degree at their home institution and a bachelor's degree at Saint Louis University. Students may change the sequence in which they complete courses at their home institution. Students who complete a course that is not part of this program plan are encouraged to contact SLU to see if the course could be substituted.

Community College Total Credits

Note: This program plan is structured for a Fall semester start at SLU. Students interested in starting the Spring semester should contact SLU to explore this option.

Note: Students may take CUL 110 (DIET 2510) at STLCC if they have complete a national ServSafe certification.

Note: This program plan lists more than the 60 credit hours required for the AA degree at STLCC and these additional credits may not qualify for financial aid. Students may contact SLU to explore taking Summer term courses at SLU.

** This course must be passed with a grade of "C" or higher. SLU must review this course if it is transferred from another institution or testing service.

† BIO 203 (BIOL 4640) is substituted for BLS 4510. PHL 109 (PHIL 3360) is substituted for HCE 2010. BIO 140 is substituted for BIOL 1240 and BIOL 1245.

Saint Louis University Courses

Course	Title	Credits
Year Three		
Fall
