

ENROLLMENT REQUIREMENTS

Saint Louis University students must maintain enrollment requirements specific to each scholarship/financial aid program. See the Time Status policy for additional information (<https://catalog.slu.edu/academic-policies/academic-policies-procedures/time-status/>).

- SLU and Missouri scholarships/grants require consecutive full-time undergraduate enrollment.
- Federal programs require at least a half-time enrollment status, except for the Pell Grant and Supplemental Education Opportunity Grant (SEOG) programs.
