

# DEPARTMENT OF LINGUISTICS, LITERATURES, AND CULTURES

The Saint Louis University Department of Linguistics, Literatures, and Cultures explores languages, literature and culture with the goal of students appreciating the complexities of the global human experience in the increasingly interconnected world.

In this challenging age of globalization, college graduates who can function in more than one language have some of the broadest opportunities for employment and advancement. By teaching students to engage with languages and cultures from Asia, Europe and Latin America, SLU faculty encourage leaders of tomorrow to explore innovative and collaborative ways of communicating across cultural boundaries.
