

MATHEMATICS, MINOR

A traditional mathematics minor from Saint Louis University follows the calculus sequence with an introduction to modern mathematical reasoning.

Requirements

Students must complete a minimum total of **17 credits** for the minor.

Code	Title	Credits
Required Courses		
MATH 1520	Calculus II	4
MATH 2530	Calculus III	4
MATH 2660	Principles of Mathematics	3
MATH 3120	Introduction to Linear Algebra	3
At least one additional 3000 or 4000 level MATH or STAT course		3
Total Credits		17

Continuation Standards

Students must have a minimum of a 2.00 cumulative GPA in their mathematics minor courses by the conclusion of their sophomore year, must maintain a minimum of 2.00 cumulative GPA in these courses at the conclusion of each semester thereafter, and must be registered in at least one course counting toward their major or minor in each academic year (until all requirements are completed).

Madrid

There are two options for students minoring in mathematics at SLU-Madrid: the traditional mathematics minor and the applied mathematics minor. Students may also complete part of the actuarial mathematics minor at SLU-Madrid.

Curriculum Overview

The traditional mathematics minor at Saint Louis University requires the basic mathematics core and one upper-division mathematics course, for a total of 17 credits.
