

MASTER OF BUSINESS ADMINISTRATION

Saint Louis University's MBA programs at the Richard A. Chaifetz School of Business prepare students to lead in a data-driven, globally connected business environment through integrated, analytics-focused curricula. Across both the One-Year MBA and the Professional MBA, students develop strong foundations in core business disciplines while building the strategic, analytical and decision-making capabilities required to address complex, real-world challenges. The One-Year MBA offers an intensive, cohort-based, full-time experience completed in 11 months, while the Professional MBA provides a flexible pathway for working professionals through evening and online coursework that can be completed in two to three years. Both programs emphasize applied learning, enabling students to translate classroom knowledge into professional impact while advancing their careers.
