

APPLIED ECONOMIC FORECASTING, POST- BACCALAUREATE CERTIFICATE

Financial and economics-based institutions depend on accurate forecasting of various economic and financial variables. The applied economic forecasting post-baccalaureate certificate from Saint Louis University will assist professionals who would like to advance their careers by obtaining or further developing econometric modeling and economic forecasting skills.

Admission Requirements

The Chaifetz School uses a holistic admissions approach to carefully evaluate all applicants, considering every aspect of their application. While an undergraduate degree is required for admission, a business background is not. Applicants must submit their:

- Completed online application (<https://gradapply.slu.edu/apply/>)
- Transcript(s) from all previously attended institutions
- 1-2 letters of recommendation
- Résumé/CV
- Professional goal statement of fewer than 500 words

Applications are reviewed on a rolling basis once all application materials are received. The average time for admissions decisions is two weeks.
