

FINANCE, POST-BACCALAUREATE CERTIFICATE

Saint Louis University's post-baccalaureate certificate in finance at the Richard A. Chaifetz School of Business (<https://www.slu.edu/business/>) consists of 12 credits of advanced graduate courses.

Offered through the world-class finance program at SLU's Richard A. Chaifetz School of Business, a certificate in finance provides current professionals with the critical skills necessary to succeed in the field. Interested students can pursue one of the Chaifetz School of Business' highly-ranked master's programs upon completion of the certificate program.

The field of finance encompasses three closely related perspectives:

- How businesses raise and invest capital
- How individuals allocate their savings among different investment alternatives
- How markets function to equate the demand for capital by firms and the supply of capital by investors

Admission Requirements

The Chaifetz School uses a holistic admissions approach to carefully evaluate all applicants, considering every aspect of their application. While an undergraduate degree is required for admission, a business background is not. Applicants must submit their:

- Completed online application (<https://gradapply.slu.edu/apply/>)
- Transcript(s) from all previously attended institutions
- 1-2 letters of recommendation
- Résumé/CV
- Professional goal statement of fewer than 500 words

Applications are reviewed on a rolling basis once all application materials are received. The average time for admissions decisions is two weeks.

International students are not eligible for standalone post-baccalaureate certificates, as an I-20 cannot be issued for certificate programs alone. However, students enrolled in the Professional MBA (<https://www.slu.edu/business/graduate/professional-mba/>) program may earn a post-baccalaureate certificate as part of their degree.
