

PROJECT MANAGEMENT, B.S.

Build the skills to lead projects and deliver results in today's dynamic business environment with the Bachelor of Science in Project Management program at Saint Louis University's School for Professional Studies.

This program develops foundational expertise in project strategy, contract management, and project management analytics while preparing students to pursue industry certifications. Through project-based learning and immersive class simulations, students gain practical experience applying the five core project management process groups outlined in the Project Management Body of Knowledge (PMBOK®): initiating, planning, executing, monitoring and controlling, and closing, while also developing an understanding of Agile frameworks that support adaptability and continuous improvement.

The Project Management Institute (PMI) has named Saint Louis University a Registered Education Provider (R.E.P.), supporting preparation for certifications such as PMP®, PgMP®, and other PMI professional credentials.

As part of the School for Professional Studies, this 120-credit degree program offers future and current leaders like you a flexible option to meet your personal career goals. With six accelerated, eight-week terms offered each year through SLU online, you can begin working toward your degree at any time, making advanced education more accessible for working professionals.

Scholarships and Financial Aid

There are two principal ways to help finance a Saint Louis University education:

- **Scholarships:** Scholarships are awarded based on academic achievement, service, leadership and financial need. The School for Professional Studies offers numerous scholarships (<https://www.slu.edu/professional-studies/becoming-a-student/tuition-scholarships-aid/>) and awards specifically for new students.
- **Financial Aid:** Financial aid is provided in the form of grants and loans, some of which require repayment.

To determine eligibility for financial assistance, submit the Free Application for Federal Student Aid (FAFSA) early for maximum consideration. FAFSA is available online at <https://studentaid.gov/h/apply-for-aid/fafsa> (<https://studentaid.gov/h/apply-for-aid/fafsa>).

For information on other scholarships and financial aid, visit the student financial services office online at Office of Student Financial Services (<https://www.slu.edu/financial-aid/>).

Active Military and Veterans and First Responders

Honorably discharged veterans, active-duty military members, reserve members and first responders qualify for a reduced tuition rate of \$300 per credit hour for any **undergraduate** program offered through the School for Professional Studies.

Learning Outcomes

1. Graduates will be able to apply foundational project management knowledge, tools, and techniques to support the planning, execution, monitoring, and closing of projects.
2. Graduates will be able to analyze project data, risks, and stakeholder needs to support informed, ethical decision-making.
3. Graduates will be able to collaborate effectively within project teams and communicate project information clearly to stakeholders.
4. Graduates will be able to apply both predictive and Agile project management approaches to address changing project requirements and organizational needs.

Roadmap

This roadmap is just one example of a semester-by-semester plan of study for this program. There are other plans students can and do take. The plan of study for each particular student is established in consultation with each student's academic advisor; *this roadmap does not replace academic advising appointments.*

Roadmap notes:

- This Roadmap assumes full-time enrollment unless otherwise noted.
- Courses/Milestones marked with an "!" are critical and must be completed in the semester listed in the Roadmap to ensure a timely graduation.
- Course availability and sequencing are subject to change.
