

# PUBLIC HEALTH, MINOR

Saint Louis University's minor in public health provides students with an introduction to public health and its role in disease prevention and health promotion at the global and local levels. The minor is offered through SLU's College for Public Health and Social Justice (<https://www.slu.edu/public-health-social-justice/>), accredited by the Council on Education for Public Health.

A minor in public health is an excellent choice for students pursuing other majors who would like to consider the interdisciplinary aspects of health at the community level. A total of 18 credits is required to complete SLU's public health minor.

## Requirements

Code	Title	Credits
<b>Required Courses</b>		<b>6</b>
PUBH 2100	Introduction to Global Health	
PUBH 3200	Evidence Based Public Health	
<b>Public Health Minor Electives</b>		<b>12</b>
Select 4 courses (12 credits) with the Public Health Minor Elective attribute.		
<b>Total Credits</b>		<b>18</b>

## Continuation Standards

Minimum grade of C in all public health minor courses.

For biostatistics majors only 9 credits of coursework can count toward *both* major courses and the public health minor.

## Public Health Minor Elective Courses

Code	Title	Credits
BST 3100	Applied Biostatistics I	3

PUBH 4100	Biological Basis of Public Health (Ways of Thinking: Natural & Applied Sciences)	3

## Roadmap

This roadmap is just one example of a semester-by-semester plan of study for this program. There are other plans students can and do take. The plan of study for each particular student is established in consultation with each student's academic advisor; *this roadmap does not replace academic advising appointments.*

Roadmap notes:

- This Roadmap assumes full-time enrollment unless otherwise noted.
- Courses/Milestones marked with an "!" are critical and must be completed in the semester listed in the Roadmap to ensure a timely graduation.
- Course availability and sequencing are subject to change.
