

# INTEGRATED AND APPLIED SCIENCES (IAS)

---

## **IAS 6010 - Interdisciplinary Seminar**

1 Credit (Repeatable for credit)

Each semester, invited speakers from research programs in both academia and industry will give presentations on their work and IAS students will be expected to attend and engage in discussions with the speakers. The choice of speaker and research will be tailored specifically for the IAS program.

### **Restrictions:**

Enrollment is limited to students with a major in Integrated Applied Sciences.

## **IAS 6030 - Interdisciplinary Research**

2 Credits (Repeatable for credit)

Each semester students will investigate, present, and discuss the current scientific literature pertaining to interdisciplinary research in science and/or engineering topics.

### **Restrictions:**

Enrollment is limited to students with a major in Integrated Applied Sciences.

## **IAS 6930 - Special Topics**

3 Credits (Repeatable for credit)

## **IAS 6970 - Advanced Research Topics in Integrated and Applied Sciences**
