

1.18 PARKING

Rules and regulations for the operation of motor vehicles (cars, trucks and motorcycles) are essential to safeguard the rights of pedestrians and drivers, and to permit parking as equitably as possible. Students obtaining a valid SLU parking permit must register their vehicle information through their My SLU Parking Portal or with Parking, Card, and Transportation Services via email at parking@slu.edu or in person Wool Center, Suite 130. The parking policies and procedures are located online at the Parking, Card, and Transportation Services' (<https://www.slu.edu/parking/>) webpage. Failure to comply with these regulations may result in the imposition of parking fines, immobilization, tow, denial of parking privileges, and/or other disciplinary action. Unpaid fines will be considered a debt to the University.
